

Bituminous sleeve DN 50

Part number: 517814
GTIN: 4001636517814
Rebate group: 6

Description:

Bituminous sleeve DN 50

Conforming to DIN 18533 for feedthrough wastewater pipes through bituminous waterproofing membranes on floor slabs in contact with the ground.

SPECIFICATION

- sealing element against capillary rising ground moisture
- factory-fitted bituminous membrane 500 x 500 x 5 mm for connecting bituminous waterproofing membranes
- temporary blanking plate with integrated positioning aid

MATERIAL

Elastomer bitumen, polypropylene, TPE
